

# Clarion Info Session

*Hosted by the Harvard GSAS Consulting Club*

## Are you a current grad / MD student or postdoc / MD resident interested in learning about life sciences consulting?

Join Clarion to learn about life sciences consulting and career opportunities, including PROPEL, our 3-day summer program for advanced degree candidates (ADCs).

With guest speakers:

- **Robert Moy, MA, Principal**
- **Carolina Lahmann, PhD, Consultant**
- **Martin Strebl-Bantillo, PhD, Senior Associate**

**Wednesday, March 6<sup>th</sup>, 6-7.30PM**

***Harvard Medical School TMEC 227***

(260 Longwood Avenue, Boston)

*Light dinner will be provided*

*Located in downtown Boston, Clarion is a life sciences strategy consultancy that works together with global pharmaceutical and biotech clients to envision, craft, and enable growth in dynamic markets. For more information on Clarion and PROPEL, please visit:*
